

Mercedes 190SL (W121)
Complete Factory Re-Trim

A complete factory re-trim package consists of the following:

Seats

- Both seats are covered in factory quality, full grain leather and include original style fluted sections.
- Seat pads can be refurbished for an additional cost (if necessary).

Trim Panels

- Laser cut, hardboard trim panels are covered in factory quality, full grain leather.
- Door pockets/handles and door cappings are recovered in factory quality, full grain leather.

Interior Carpet Set (Complete Set: Replaces Original Rubber Mats)

- Made from original German Squareweave carpet with hand finished binding.
- Carpet set is computer cut for a precise fit and includes new underlay.
- Driver footwell piece includes a full grain leather heel mat to match the interior trim.

Dashboard & Miscellaneous Items

- Dashboard, sun visors and rear wall trim recovered in factory quality, full grain leather.

Factory Quality Car Hood (Optional Item)

- Made from original Haartz Sonnenland® Classic fabric.
- Computer cut for a precise fit.
- Includes 1.00mm thickness, scratch resistant Strataglass™ plastic window. Strataglass™ is a premium, pressed polished plastic that features a unique scratch resistant coating and comes with DOT approval.
