Bespoke Trim Panel Re-Trim

Door Panels

- New laser cut hardboard door panels and front kick panels are covered in factory quality, full grain leather.
- Door pockets/handles and door cappings are recovered in factory quality, full grain leather.
- Rear moulded panels are re-trimmed in factory quality, full grain leather.

Door Panel Collection Service

Your existing door and front kick panels are digitally copied for a precise fit and a bespoke collection service is available for your convenience. We will send our own bespoke packaging to you and arranged collection of the packaged door panels. The collection service is fully insured and trackable.

The collection service covers the UK and Europe and a price quote will be provided upon ordering or by request.
